The Vicenza School Age Center (SAC) is offering an exciting way to experience Summer Camp with a variety of unique activities!

Campers can participate in a fun-filled camp offering character-building activities each week. Plus, once a week, campers will enjoy swimming, a movie and a field trip day!

**Summer Camp: June 19 - August 25**

Call SAC at 0444-71-5700.

# WELCOME TO SUMMER CAMP!

We know that summer is a very special time for children – it's a chance to step back from daily routines and relax. A time to flourish in a unique environment designed especially for children. A place where children can leave their comfort zones and take healthy risks, knowing there are physical and emotional “safety nets” in place.

At camp, children are given the chance to develop skills important to their futures: trustworthiness, respect, responsibility, fairness, caring and citizenship. As a sense of community is built, children gain self-confidence and self-respect and discover they are part of the greater whole.

Parents may enroll their children in weekly full-day care or hourly care with advance reservations.

## **EXPLORE YOUR INTERESTS:**

Each week, campers may choose one camp from among five different camps offered throughout the week.

In addition to the SAC camps, the CYS Sports and Fitness Program will provide weekly sports clinics from June 19 to August 7. These sports clinics are also included as a camp option to children enrolled in SAC.

## **PARENT & CHILD RESPONSIBILITIES**

One of our goals is to encourage children to experience independence by sharing responsibility with their parents.

Please note parent/child responsibilities:

- ▶ Parents are responsible for checking their child's camp schedules to know field trip days, swimming days, etc.
- ▶ Permission slips are required for each trip prior to departure – there are no exceptions. If you do not have the proper permission forms, your child will not be able to participate.
- ▶ Parents are responsible for children who may not attend field trips or special outings due to behavioral difficulties. Parents will be asked to pick up their child if they are having behavioral difficulties.

- 
- ▶ Parents may be required to accompany their child on a trip if their behavior warrants it.
  - ▶ Parents are responsible for providing sunscreen for their child. Children without sunscreen cannot participate in swim activities. Aerosol sunscreen is flammable and cannot be used in our programs.
  - ▶ Parents must ensure their child is at the facility 30 minutes prior to the scheduled time of van/bus departure.
  - ▶ Parents must ensure that all items brought in by their child are clearly labeled with the child's first and last name.
  - ▶ Parents should review the child's responsibilities with their child prior to attending camp.
  - ▶ Children are required to have a backpack and water bottle – both labeled with their first and last name – on all field trips. (Siblings are encouraged to have their own backpacks and water bottles.) Please do not send your child with plastic bags, shoulder bags or backpacks on wheels. (See checklist provided.)
