SPECIAL THANKS

The SKIESUnlimited program would like to extend a very special thank you to the person responsible for building this program from the ground up, starting in August 2008, Ms. Kelli Covlin.

Kelli started SKIESUnlimited with just 6 instructors working within 2 classrooms. After such hard work and dedication, Kelli created an entire network of 30 instructors who teach a wide-range of activities to include music, martial arts, gymnastics, cooking, dance, swimming and more. She extended the program from 2 classrooms to 2 full size facilities.

We could never thank Kelli enough for everything she has done for the entire Vicenza Military Community, and we wish her the best of luck at Camp Darby!

Class details

Imagine Adventures is a class filled with creativity and adventure. As with any other skill, even imagination and creativity must be trained and developed. In this program we use a Role Playing Games purpose.

A team of adventurers, known as a party, are immersed in a pseudo-medieval world of sword-and-sorcery run by the Dungeon Master, who narrates setting and events and adapts the emerging game to the players' free actions and decisions. Students will be given the opportunity to immerse themselves in a game that is orally constructed and conjured in the imagination with the help of rule books, reference guides, charts, multifaceted dice and maps.

Rather than compete, players work together to coordinate their complementary skill-sets, to problem-solve and overcome diverse challenges. Their co-dependence translates into a sense of belonging and genuine social cohesion.
